MANKIND MUST WORK FOR HEAVEN TIRELESSLY

The Almighty GOD, Lord and GOD,
be blessed
in Heaven and on Earth.

The divine holy Lord and GOD
of Heaven and Earth,
be glorified
in Heaven and on Earth.

The most holy one,
The Alpha and Omega,
be praised
in Heaven and on Earth.

The loving holy Father, who created Heaven and
Earth,
be respected and feared
in Heaven and on Earth.

GOD GOD GOD

GOD created mankind,
(all of us people),
to love Him,
to serve Him,
to adore Him,
to fear Him,
to respect Him,
to call Him ABBA FATHER,
all the days we shall live in this world, as permitted
by Him, who is our Lord and our GOD.

Why upon why,
all of us mankind,
you and me,
created by GOD,
blessed by GOD,
cared for by GOD,
protected by GOD:

Why upon why do we not love Him?

Why do we not glorify Him?

Why do we not praise His holy name? Why?

All the days you and me, we shall be allowed to
live in this world,
by Him the Alpha and Omega,
are for glorifying Him.

All the days you and me, we shall be allowed to
live in this world,
by Him the Alpha and Omega,
are for fearing Him.

All the days you and me, we shall be allowed to
live in this world,
by Him the Alpha and Omega,
are for praising Him.

All the days you and me, we shall be allowed to
live in this world,
by Him the Alpha and Omega,
are for venerating Him.

All the days you and me, we shall be allowed to
live in this world,
by Him the Alpha and Omega,
are for calling Him
ABBA FATHER.

Amen.
